Year 5 Excursion

Royal National Park Environmental Education Centre

Dear Parents/Caregivers,

Throughout Term 3, students in Year 5 have been studying a Geography unit called 'Factors that shape places'. To allow students to gain a deeper insight into the unit of study, an excursion to Royal National Park Environmental Education Centre has been arranged. Students will be able to engage in a variety of activities that investigate the factors that shape our natural environment and enjoy walks through natural bushland.

The excursion will take place on **Monday 23rd September, 2019**. Students will need to **meet in the Year 5 area at 7:45am sharp**. We will then travel by bus to the Royal National Park. Teachers and students will return to school by 2:45pm.

The cost of the excursion is \$35.00 per student, which covers bus travel, and entrance to Royal National Park Environmental Education Centre. ***The closing date for payment is Friday 13th September, 2019. It is advised that you pay as soon as possible so your child does not miss out on attending.*** No refunds will be given to children who are late and miss the bus.

Students will be required to wear full sport uniform and bring their own food and drink in a backpack, there are **no canteen** facilities available. All valuables are to be left at home.

If you have any questions, please speak to myself or your child's classroom teacher.
