

WEEK 4 - GIRL UNDERGROUND

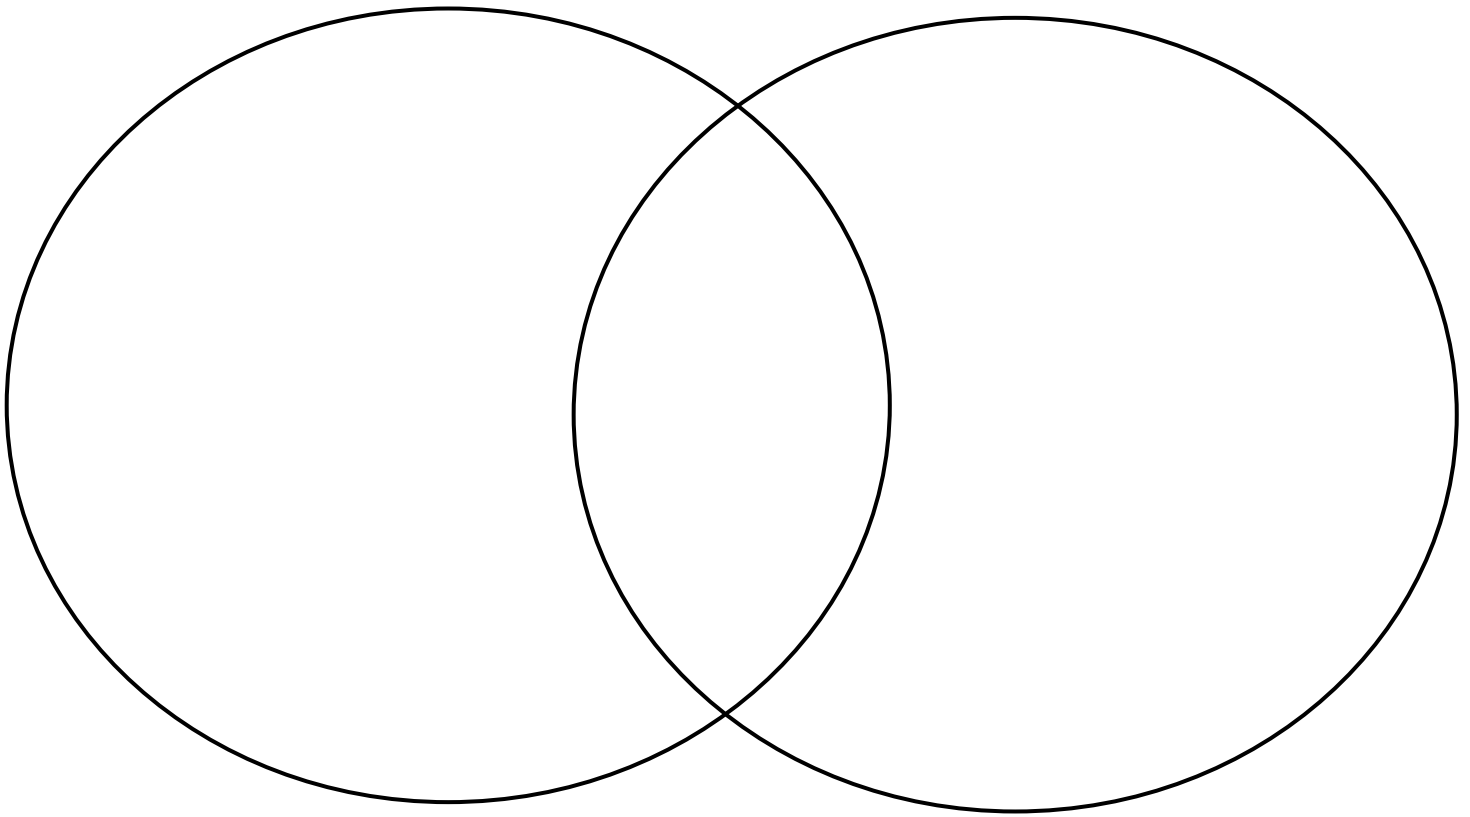

By Moris Glietzman

Read chapters 9-12. Answer the following short response questions.

1. Describe the relationship between Menzies and his parents.
2. What occurred at the detention centre that made Menzies angry?
3. Why do you think Jamal thought a hunger strike would be a good idea? What would you do if you were in his situation?

4. Create a Venn diagram showing all the information you know about Bridget and Menzies. We know the characters are very different, but they also have things in common. Use this to understand the similarities between two very different people.

5. Research what a detention centre is. Synthesise in your own words, why people end up in detention centres. Do you think its fair? Why or why not?
