

Please **glue all your Chinese worksheets** in your Chinese book so you can show me your lovely work when we are back at school.

Hope you had a safe and enjoyable holiday. Now have fun with this week's activities. Try to finish this by Thursday.

Write the short date for today _____.

Now write the Chinese date with the weather.

jīn 今	tiān 天	shì 是					nián 年		yuè 月
	rì 日	xīng 星	qī 期		。				

天	气	:					
---	---	---	--	--	--	--	--

L.I.: Seasons ^{jìjié}季节 and Weather ^{tiānqì}天气

S.C.: I can recognise the characters for the seasons and the types of weather.

First let's check the English meaning of the following types of weather.

1. 晴天 **sunny**
2. 阴天 **overcast/cloudy**
3. 雨天 **rainy**
4. 刮风 **windy**
5. 下雪 **snowy**
6. 雷雨 **stormy**

Hope you have fun drawing the activities for the four seasons. There are nine expressions of weather. As we have 雨天 in nearly all seasons but mainly in winter and summer, you could glue 雨天 in both 冬天 and 夏天 so you need more than one. 刮风 is for winter although we do get windy days in autumn as well. 晴天 can be glued in any square as we are so blessed with sunny days throughout the year.

We are going to revise the seasons and the types of weather we have learned.

Write the English meaning of the following. The first one is done as an example.

1. 四季 four seasons 2. 春天 _____
3. 夏天 _____ 4. 秋天 _____
5. 冬天 _____ 6. 晴天 _____
7. 阴天 _____ 8. 雨天 _____
9. 刮风 _____ 10. 雷雨 _____

Look at the find a word table below. Look for the seasons and weather you have just given the English meaning to and circle them. You can also use different colours to highlight them.

四	季	雨	雷	刮	春
春	风	秋	云	天	夏
雷	雨	季	天	风	冬
晴	天	雨	冬	夏	刮
风	四	雪	雷	大	风
大	雨	秋	阴	天	云

Thank you for trying 谢谢.
