Term 3 Week 2

Name: \_\_\_\_\_

L.I.: Environmental protection

S.C.: I can list ways to protect the environment.

Let's start with revising the main vocabulary we have learned.

Translate these into Chinese. Remember to say them when you write them.

environment

protect

school

pollution

Litter/rubbish

again

use

paper

recycle

reduce

Now try to list 3 ways you can help to protect the school environment. You must write them in Chinese characters/pinyin.

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

Please do the following comprehension activity. When needed, go to online dictionary

<https://chinese.yabla.com/chinese-english-pinyin-dictionary.php> (or Google yabla Chinese and click on the first link). You type in the pinyin (don't need to include the tone mark) and pick the meaning with the corresponding Chinese characters. Click on the speaker icon to listen to how the character is pronounced. Check the stroke order and also read the example usage.
