First let us check your answers to the activities last Week. I hope the writing is not too difficult for you.

What is 车 in English? **Car**

What is 花 in English? **flower**

Now you should know how to say the 7 parts of your home in Chinese. Scan  and listen to revise.

Next, we are going to have an activity to show that you know what the parts of the house are in Chinese.

Look at the pictures showing furniture or articles in different parts of the family home. Go to the word bank at the bottom of the page, cut the 6 names out. Find the part of the home where you can find the furniture or article in and glue it in the box next to it. The first one is done for you as an example.
