今	天	是					年		月

---	---	---	--	--	--	--

L.I.: Transport – walk <sup>zǒu lù</sup> 走路

S.C.: - I can say walk in Chinese.

- I can make a sentence of how I go to school.

I hope you had fun writing 坐 last week. Remember it is an ideograph of two people sitting on the floor facing each other?

Scan and listen . As mentioned last week, you are going to learn how to say 'walk' in Chinese. It is very important as most of you walk to school and walking is a good exercise. Can you remember what I said at lines when I told everyone to stand up and go to our classroom? It is <sup>zhànqǐ lái</sup> 站起来, <sup>zǒu ba</sup> 走吧。 <sup>zhànqǐ lái</sup> 站起来 is stand up and <sup>zǒu ba</sup> 走吧 means get going!

There are two Chinese characters that means 'go', <sup>qù</sup> 去 and <sup>zǒu</sup> 走. This can be confusing so always remember 走 is the actual action which means move with your feet while 去 means heading towards a destination or it can be used as a preposition.

Look at the two sentences on page 2.

1.	wǒ 我 I	qù 去 (go) to	xué 学 learn	xiào 校 premise	。	This sentence means 'I go to school.' but does not say <b>how</b> . I can be walking or taking a mode of transport. 去 is the verb.
----	--------------	--------------------	-------------------	----------------------	---	--

2.	wǒ 我 I	zǒu 走 walk	lù 路 road	qù 去 to	xué 学 learn	xiào 校 premise	。	This means 'I walk to school.'
----	--------------	------------------	-----------------	---------------	-------------------	----------------------	---	--------------------------------

The difference between the two sentences is the two additional characters <sup>zǒu lù</sup> 走路 which means walk. You can see 去 is the preposition, not the verb. 学校 together means the place where you learn so it is the school.

How do we say walk in Chinese? <sup>zǒu lù</sup> 走路

Do you think you know how to say 'I take the plane to China.' You know all the Chinese characters needed for the sentence. Unjumble the sentence and copy the characters or pinyin to make a correct sentence.

我	fēi 飞	jī 机	zhōng 中	guó 国	qù 去	zuò 坐	。
---	----------	---------	------------	----------	---------	----------	---

Write the sentence in the correct order. Remember one word per box.

--	--	--	--	--	--	--	--

Thank you for trying 谢谢.
