

Name: _____

L.I.: Chinese numbers 1-10

S.C. - I can count from 1 -10 in Chinese.

- I can count using Chinese hand gestures.

Last week you revised the numbers 一 to 十. Do you remember the hand gestures for the numbers?

Now ask your parents to help you practise these hand gestures.

You can also go to You Tube and watch this video

https://www.youtube.com/watch?v=5qtam3_InmM or search 'Chinese hand signs for numbers' to see some children doing them.

Now try to write the English for the Chinese numbers below. The first one is done as an example.

一 1 十 _____ 五 _____ 八 _____

六 _____ 七 _____ 四 _____ 二 _____

L.I.: Greetings

S.C.: I can say 'hello', 'thank you' and 'goodbye' in Chinese.

1. Do you still remember when you go into the Chinese classroom, the teacher always says

xiǎo péng yǒu hǎo '小朋友好' and you reply 'nǐ hǎo 你好 Mrs Cheung'?

Now say nǐ hǎo 你好 to someone at home. You can ask that person to say nǐ hǎo 你好 back to you and you have just taught that person two Chinese words!

2. What do you always say when I give you the pencil or colour pencils?

Yes, well done. It's xiè xiè 谢谢。Remember your manners and always say this.

3. You have finished this week's work so let's say goodbye zài jiàn 再见.
