Did you try to learn the new song from YouTube about family? Scan this  or go to YouTube and type in 'I love my family Chinese song'.

Remember you learned 男 and 女 in Kindergarten? Let's say, trace and write them again.

女 nǚ

Next write down the gender of the family members. We can use 男, 女 for man and woman, boys and girls. For grownups we add 人 to show they are adults. For children we use 孩 which means children. The first one is done for you.
