

Please glue all your Chinese worksheets in your Chinese book so you can show me your lovely work when we are back at school.

Let's have fun with this week's activities. Try to finish this by Thursday.

Write the short date for today _____.

Now write the Chinese date with the weather.

今	天	是					
					。		

天	气	:		
---	---	---	--	--

L.I.: Weather - vocabulary

S.C.: - I can say/write the characters for snowy weather.

- I can sing the weather song.

You have revised writing the Chinese characters for weather in Week 3. Scan this

and listen to the weather song 'How's the weather? ^{tiān qì zěnmeyàng} 天气怎么样? '. If the QR code does not work, go to YouTube and type in 'How is the weather song in Chinese' in the  bar at the top. Click on the one from Little Fox that says [How's the Weather? \(天气怎么样?\) | Learning Songs 1 | Chinese song | By Little Fox - YouTube](#). You have listened to it in class so sing along. Here are the lyrics to help you.

^{tiān qì zěnmeyàng} 天气怎么样? ^{jīntiānqíngtiān} 今天晴天。

天气怎么样? 今天 ^{duōyún} 多云。

天气怎么样？今天下雨。

天气怎么样？今天下雪。

What is 怎么样? 怎么 means how and 样 is the look, the three characters together means 'how does it look'. The question 天气怎么样? is 'weather how looks' which sounds a bit strange because it is how Chinese sentences are structured.

In the song there is 下雪 which means snowy day.

下 means fall or under. Picture the line on top as the table and something has fallen down and it is under the table. 雪 has 雨 on top as snow is like rain but when it is freezing cold.

Now let's do some writing. Practise writing 下雪 and try to remember what they look like.

下 一 下 下

x i à 下				
------------	--	--	--	--

雪 一 一 一 一 雨 雨 雨 雪 雪 雪

x u ě 雪								
------------	--	--	--	--	--	--	--	--

Now you should know how to say sunny 晴天, cloudy 多云, rainy 雨天 and snowy 下雪。

Thank you for your effort. Three stars for you
Colour them in your favourite colour.
