

Please **glue all your Chinese worksheets** in your Chinese book so you can show me your lovely work when we are back at school.

Let's have fun with this week's activities. Try to finish this by Thursday.

Start with writing the date as we always do in Chinese classes.

今	天	是					年		月
		日	星	期		。			

天	气	:				
---	---	---	--	--	--	--

How did you go with the questions on the interview last week? Are your answers similar to the ones below?

Write down how the structure and tone differs from other types of text?

An interview is a conversation between two people/parties and in the form of questions and answers. Interviews are mostly one sided i.e. you have to answer all the questions and rarely get a chance to ask few questions. The tone is casual as it is a conversation.

Use characters/phrases from the table below to complete the sentences.

- 国华说：这是一个很棒的_____主意_____！
- 很感谢你_____邀请_____我来你的生日会。
- 如果我们想拯救_____地球_____，就要出一分力。
- 我们每个人都应该保护_____环境_____。
- _____纸张，玻璃和塑料_____都可以回收。
