

# China

Did you know the official name of China is the People's Republic of China? China is the most populous country in the world with over 1.35 billion people living there. It has ancient landmarks, beautiful landscapes and delicious foods.

## The Great Wall

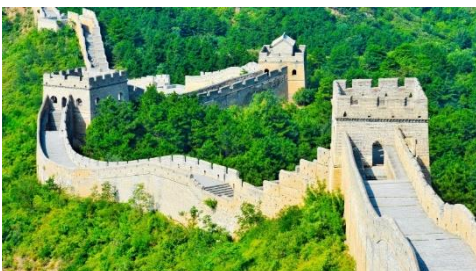

The Great Wall of China is the largest man-made structure in the world. It is an ancient series of walls and fortifications, totalling more than 21,000 km in length, located in northern China. Perhaps the most recognisable symbol of China and its long and vivid history.

## The Yangtze River

The Yangtze River is the longest river in Asia, the third-longest in the world and the longest in the world to flow entirely within one country. It rises at Jari Hill in the Tanggula Mountains and flows 6,300 km in a generally easterly direction to the East China Sea.

## Chinese Cuisine

Chinese cuisine is famous for being very vast and includes a huge range of ingredients. Rice is a very important food in China and is eaten every day. A popular food in China is the dim sum. It is made up of small, tasty dishes served in bamboo steamers.

## China
