

Please **glue all your Chinese worksheets** in your Chinese book so you can show me your lovely work when we are back at school.

Hope the QR codes helped. Have fun with this week's activities. Try to finish by Thursday.

Did you get to read the book 'What Colours Do You Eat?' and listen to it read in Mandarin? It should help you remember how to say some colours in Chinese. Let's revise colours in Chinese.

L.I.: Colours ^{yánsè} 颜色

S.C.: - I can say and write ^{sè} 色.

- I can say at least six colours in Chinese.

We have learned about colours in Chinese when you were in Year 1. Remember we have to include the Chinese character 色 whenever we say a colour? For example, red ^{hóng} 红 has to be red colour 红色, two Chinese characters.

So first let's revise how to write 色 by writing it 5 times.

You can go to you Tube to revise the colours. Scan this  or type in 'Mandarin for Kids - Learn Your Colours' and listen. Look at the Chinese characters and pinyin as well.

Can you match the following colours with their pinyin? You can get the pinyin from the grid below. The first one is done for you.

hóng 红	lǜ 绿	huáng 黄	lán 蓝	bái 白	hēi 黑	chéng 橙	zǐ 紫
-----------	---------	------------	----------	----------	----------	------------	---------

red	blue	white	orange	green	yellow	black	purple

Do you remember the answers to these questions?

1. What is the colour of celebration for Chinese people?

2. What does this colour symbolise?

3. Name two occasions when Chinese people wear this colour.

Now test how much you can remember by colouring in the pictures with the colour specified.

lǜsè 绿色	huángsè 黄色	hóngsè 红色	zǐsè 紫色	lánsè 蓝色	chéngsè 橙色
					

Thank you for your effort. Four stars for you  !
