

Please glue all your Chinese worksheets in your Chinese book so you can show me your lovely work when we are back at school. You can also do it in Google Classroom and submit it online.

Hope the QR codes worked and helped. Let's have fun with this week's activities. Try to finish this by Thursday.

Start with writing the date as we always do in Chinese classes.

今	天	是					年		月
		日	星	期		。			

天	气	:				
---	---	---	--	--	--	--

L.I.: History of China 中国 ^{lìshǐ} 历史 – vocabulary

S.C.: I can say and write the basic vocabulary for history.

China has a long history of over 5,000 years. Chinese civilisation is one of the world's 4 ancient civilisations. 四大文明古国.

The Chinese characters 历 means past happenings and 史 means a record in classical Chinese 文言文. 史记 "Records of the Grand Historian" is a monumental history of ancient China and the world finished around 94BC. Through learning about the history of China, we can understand the civilisation and culture 文化 of China. 文 is Chinese writings and 化 is the culture and customs.

Let's learn the basic vocabulary before we start actually looking into ancient Chinese

history. Use online dictionaries like Yabla , especially for the pronunciation.
