Did you enjoy last week's work?

I know I really can't wait to find out how you address your grandparents in Chinese or in a third language that you have learned from your parents!

L.I.: My Family Home - vocabulary

S.C.: - I can say house in Chinese

- I can write house in Chinese.

Are you ready to learn more about your family? We are going to look at our family home which is either a house or an apartment.

This is how we say a house or an apartment in Chinese ^{fángzi} 房子.

It is made up of two Chinese characters 房 and 子. The first character is made up of two parts 户 and 方。户 looks like the roof of a house and it actually means a household or people living in the same house. 方 means a shape with four sides which is the usual shape of the piece of land the house is built on.

Trace and copy 房. Make sure you follow the stroke order and 方 is under 户。

房 丶 ㇇ ㇇ 户 户 户 房 房

fáng 房	房	房						
-----------	---	---	--	--	--	--	--	--

子 了 子

zǐ 子	子	子				
---------	---	---	--	--	--	--

Colour in the following Chinese characters using different colour for every stroke. You should be using 8 colours for 房 and 3 colours for 子 and then draw your house.

Now pretend to be standing in front of your house. Draw your house below including the front garden. If you live in an apartment, draw the apartment block.

wǒ de fángzi
我的房子

Five stars for you  ! Colour them in.
