

Please glue all your Chinese worksheets in your Chinese book so you can show me your lovely work when we are back at school.

Let's have fun with this week's activities. Try to finish this by Thursday.

Write the short date for today \_\_\_\_\_.

Now write the Chinese date with the weather.

jīn 今	tiān 天	shì 是					nián 年		yuè 月
			rì 日	xīng 星	qī 期		。		

天	气	:		
---	---	---	--	--

**L.I.: Weather - vocabulary**

**S.C.:** I can say and write at least four types of weather in Chinese.

How did you go with the song about the four seasons? Scan this  and sing along again. You can also go to YouTube and type in 'seasons are fun Chinese song' in the  bar. Can you complete this chant about weather below? You can write the pinyin if the character is too hard. You should be able to write cold 冷.

chūntiān  
春天 \_\_\_\_\_;

xiàtiān  
夏天 \_\_\_\_\_;

qiūtiān  
秋天 \_\_\_\_\_;

dōngtiān  
冬天 \_\_\_\_\_。

Sometimes we have windy days so let's learn how to say it and write it. Scan this  or go to you tube with this link <https://www.youtube.com/watch?v=7i0ySarsQqU> or type 'weather in Mandarin Chinese funky song' in the search bar .

Do you like the song? Did you notice they use <sup>yīntiān</sup>阴天 instead of <sup>duōyún</sup>多云? Remember my explanation that the character <sup>yīn</sup>阴 has the moon <sup>yuè</sup>月 instead of the sun <sup>rì</sup>日 which indicates that it is cloudy and you can't see the sun (overcast). There is a type of weather which we haven't learned yet, what is it? Yes, it's <sup>guāfēng</sup>刮风 windy day! <sup>guā</sup>刮 means blow or scrape and <sup>fēng</sup>风 means wind.

Let's try to write the Chinese characters for wind and overcast.

风 丿 儿 风 风

fēng 风								
-----------	--	--	--	--	--	--	--	--

阴 了 丩 阴 阴 阴

yīn 阴								
----------	--	--	--	--	--	--	--	--

Now you can use 阴天 for an overcast day when you cannot see the sun at all. What about a sunny day with some clouds? Write it in the boxes below.

--	--	--	--

Thank you for your effort. Five stars for you

Colour them in your favourite colour.
