L.I.: Product and Services – money 钱 ^{qián}

S.C.: - I can say and write 钱 ^{qián}。

- I can name the Chinese currency.

Scan this to watch the You Tube video. If the QR code does not work, go to You Tube and type 'Chinese buddy money in Chinese'. Listen to the song and try to learn how to

say money 钱 ^{qián} in Chinese. The Chinese character 钱 is made up of two parts. On the left-

hand side is a Chinese character 金 ^{jīn} which means gold. Yes, gold was used as money long time ago and is still used to back up currencies in many countries in the world. Now have a go in writing the character.
