Placement Test for Year 7 Enrichment Class 2022

The educational experiences of students at Granville Boys High School will result in the development of young men who are independent and responsible learners and leaders. The school is committed to recognizing and catering to students' different learning styles.

The Enrichment Class has been formed to address the needs of gifted and talented students in our region who are currently in Year 6.

The 2022 Enrichment Class will be supported, through a specific curriculum designed to extend and challenge students. Entry to this class will be via a placement test designed to identify gifted and talented students and provide a baseline profile of student achievement.

The Enrichment Class for 2022 is a school-based enrichment initiative and does not constitute entry to a government selective high school. We recommend students interested in selective placement sit both tests.

The placement test is produced and marked in conjunction with Educational Assessment Australia (EAA), a part of UNSW. It provides an independent and objective measure of student achievement towards the end of primary school. The test can provide information on the strengths of students in the areas of English, Mathematics, Science and Writing. Students will need to bring pencils, eraser and ruler for the exam.

The duration of the placement test is approximately 3 hours, which includes rest breaks, and comprises the following subtests:

Mathematics	Reading and Language	Writing	NNAT
40 minutes	40 minutes	30 minutes	30 minutes

The test will be held on Thursday 4th November in the Granville Boys High School Library. The test begins at 9.30am, however, students are expected to assemble at the school gym by 9am for registration and briefing.

Parents will be notified by the school of successful entry to the enrichment class once the reports have been received from the EAA.

Any parent who is interested in their son being part of the Enrichment Class for 2022 should complete the application form which is available on the school's website (<https://granvilleb-h.schools.nsw.gov.au/>) and email it to maina.ram@det.nsw.edu.au by Friday 22nd October 2021.

If you have questions please contact the school on 9637 0489 or 0415169424.
