Ready to learn how to say two other parts in your family home?  and listen.

What do you think this place is?

Yes, the kitchen. In Chinese it is 厨房.

厨房 means related to cooking and 房 is the room.

What about this?

It is the bathroom. 浴 is bath and 室 is another way

of saying a room. Look closely at the character 浴, 氵 on the left is a symbol for water or liquid in Chinese characters. Whenever you see these three dots, that means it is related to water or liquid. Of course, you need water to shower 浴. Bathroom is 浴室.
